Rule 1.1 Adoption of Local Rules

The Probate Court of Scioto County, Ohio has adopted the following rules for the management of proceedings and other functions of the Court pursuant to Rule 5 of the Rules of Superintendence for the Courts of Ohio. These rules supersede and replace the Local Rules of this Court which became effective on July 1, 1991. The Court reserves the right to amend or revise these rules as needed as required by law.

These rules are intended to supplement and complement the Rules of Superintendence for the Courts of Ohio.

These rules are effective February 1, 2026. For good cause shown, the Court may grant exception to the Rules of the Probate Court of Scioto County should the circumstances so warrant in any particular case.

These rules are available to view online on the Probate Court's website: <http://www.sciotocountycourt.com>. Written copies of these rules are also available for public viewing at the office of the Probate Court, 602 7th Street, Room 201, Portsmouth, Ohio, and at the Scioto County Law Library located in the Scioto County Courthouse, 602 7th Street, 3rd floor, Portsmouth, Ohio.

Copies of these Local Rules have been provided to the offices of the Scioto County Commissioners, Auditor, Treasurer and Clerk of the Court of Common Pleas, General Division, as well as being filed with the Ohio Supreme Court.

Copies of these Local Rules may be purchased from the Court at a cost of \$15.00 for a complete copy, or at a cost of \$.25 per page for copies of individual rules.

The omission of a local rule corresponding to a Rule of Superintendence is by design and indicates that the area of inquiry is suitably addressed by a Rule of Superintendence, state statute, or controlling case law. The Rules of Superintendence provide context to the local rule.

Rule 3.1 Attorney Registration Number

In conformity with Sup. R. 6, which requires all attorneys to include the attorney or pro hac vice registration number issued by the Supreme Court on all documents filed with the Court, the Court construes pleadings, applications, motions, accounts, inventories, memoranda and briefs to fall within that rule. Appendices, attachments, and exhibits submitted for filing are deemed excluded from the requirement.

Rule 5.1 Court Appointments of Attorneys

- (A) The court will maintain a master list of persons who may be appointed as attorneys for wards, prospective wards or guardians in guardianship cases where the ward is indigent, or as fiduciaries themselves in guardianship and decedent's estates cases.

- (B) Attorneys so appointed will be paid a reasonable fee with consideration to the factors contained in Rule 1.5 of the Ohio Rules of Professional Conduct, the Ohio Revised Code, and related Local Rules of this Court written hereafter.

The digitally produced recording of the court proceeding and the previously used audio tapes shall be maintained by the Court for three (3) years from the date of the final appealable order in the case or final decision on appeal, whichever is later. Any person desiring to preserve the record beyond this period must make arrangements to have the record transcribed.
- (B) Unless the cost of transcription is required to be waived by statute or civil rule, transcription of the record shall be at the expense of the person so requesting. The request for transcription shall be in writing. A deposit may be required at the discretion of the court's transcriptionist for the reasonably expected cost of transcript. Received submissions remain pending until accepted for filing or rejected for corrections.

- (B) If a will presented to probate contains alterations or extraneous markings and the original text remains legible, the admission of the will shall be set for hearing pursuant to R.C. 2107.181 and the witnesses to the will shall testify as to the execution of the will and the physical appearance or condition of the will at the time of execution.
- (C) Any document presented for admission to probate as a will which appears to instead be a photocopy with photocopied signatures will either be subject to denial of the application or the Court, upon its own motion, may treat the application to admit as a motion to admit a lost will under R.C. 2107.26 and set the matter for an evidentiary hearing.
- (D) Where the will names an intervivos trust, or trustee thereof, as a beneficiary, a copy of the trust shall be provided to the Court at the time the estate is filed, but the trust will not be filed. Besides ascertaining whether the trust and/or trustee are in existence, the Court is entitled to see the trust provisions for support of a spouse, minor child or disabled adult child under guardianship.
- (E) When notice is necessary before probate of a will, at least three (3) days' notice in writing of the hearing on the application to probate a will shall be given to the surviving spouse and the next of kin of a testator resident of the State of Ohio, unless the surviving spouse or one or more of the next of kin reside more than one hundred road miles from Portsmouth, Ohio, in which case five (5) days' notice in writing shall be given.

Rule 60.1 Fiduciary appointments

- (A) Pursuant to Ohio Revised Code Sec. 2109.04(A)(2), if the instrument dispenses the giving of bond, the Court will appoint a fiduciary without bond, unless the Court is of the opinion that the interest of the estate or trust demands it. In order for the Court to be able to make this determination, the Court may schedule a hearing on the waiver of bond; but may dispense with the hearing and appoint the fiduciary without bond if:
1. Upon application for appointment or prior to a scheduled hearing, the fiduciary files with the Court Acceptances of the Waiver of Bond (in a format approved by the Court) signed by all the vested beneficiaries named in the decedent's will as identified on the Form 1.0, or for a testamentary trust, by all the current beneficiaries named in the testamentary trust; or
 2. The named fiduciary is the sole beneficiary of the estate/trust or if the named co-fiduciaries are the only beneficiaries of the estate/trust.
- (B) If the Court determines a bond is necessary the Court will generally require the applying fiduciary to post a surety bond of two times the probable value of the personal estate or such other level as determined to be appropriate by the Court; however, if the fiduciary is an attorney, the Court will generally require a surety bond equal to the probable value of the personal estate.
- (C) In lieu of the bond, the Court may authorize a depository in lieu of bond or restricted financial account arrangement to hold financial assets of the estate/trust, with such account being subject to the further order of the Court prior to the release of the restricted assets.
- (D) Attorneys shall not act as sureties in any case, nor are they permitted to become sureties on the bond of any fiduciary.
- (E) Where a bond is required, the Court will not accept personal sureties.
- (F) Executors who are not residents of Ohio shall keep all assets located in Scioto County at the time of the decedent's death in Scioto County until final distribution or until further order of the Court, unless a bond in compliance with R.C. 2109.04 is filed.

- (I)** All applicants for the administration of an estate must provide a good faith estimate of values on Form 4.0. “Unknown” is not acceptable; reasonable inquiry by the applicant of the decedent’s estate is expected before the application is made. An exception to this rule will be made in cases where the estate is opened for litigation purposes only by the applicant or by a creditor to establish a claim. A creditor- applicant will be required to post a bond once the assets become known.
- (J)** An applicant who has served as guardian of an estate shall not be granted letters of authority to administer the decedent’s estate upon the death of the ward unless the guardian of the estate is also named as fiduciary in the ward’s will, or upon a showing of good cause.
- (K)** All applications for estate administration SHALL include a copy of the decedent’s death certificate.

- (C) If the delinquency is not cured within a reasonable time, not to exceed a month, the court shall send a second notice of delinquency to the attorney of record and the fiduciary whom he represents of such delinquency, and the mailing of such notice shall be docketed in the case.
- (D) If the delinquency is still not resolved within a reasonable time of the second notice, not to exceed a month, the court may cite both the fiduciary and attorney into court to explain their failure and to determine a date certain on which such filings shall be made. The Court specifically reserves unto itself the right to remove the fiduciary and his attorney for failure to timely files said pleadings, etc., In addition, there will be a \$5.00 fee assessed to court costs for each citation issued.

- (G) All next of kin who appear to have claims for loss under R.C. 2125.02, even those not being rebuttably presumed to have suffered loss, are expected to be identified by the executor or administrator during his/her investigation and prosecution of the wrongful death claim. Such next of kin must be given opportunity to explain or present his/her loss to the fiduciary *before* settlement is reached. Rule 71.1 Attorney Fees

(A) Attorney fees are governed by the Rules of Professional Conduct, specifically Rule 1.5, and the Rules of Superintendence, Rule 71, adopted by the Ohio Supreme Court. Attorney fees must be reasonable and beneficial to the estate. The Court has the ultimate responsibility and authority to review attorney fees in decedent's estates and guardianships. Neither compensation for a fiduciary nor an attorney shall be paid before a final account is prepared for filing except with court approval of any partial payment of such fees for good cause shown to the court. Fees may be based on the following:

- Hourly rate
- Time expended
- Quantum merit
- Contractual agreement

Attorneys must provide written documentation and/or exhibits supporting the fee.

(B) In instances where the fiduciary is the attorney, the court shall allow only one fee to be taken based upon application and the criteria set forth above.

The application for fees is to be accompanied by the details supporting the fee calculation:

1. If the fee request is presented in the form of itemized time records, the records shall state the date and time for each attorney service, identify who performed the service, identify the hourly rate requested, and give enough description of each service so that the reasonableness of time consumption can be deduced.

(C) If attorney fees are based upon a "flat fee" agreement, the agreement should be in writing and the fee application should describe the factors which demonstrate that such fee is fair and reasonable. The resulting fee must be reasonable under Prof. Cond. R. 1.5 and the Court may still require further identification of services performed.

(D) Attorney fees in a land sale proceeding, or authority to mortgage real estate, instituted by a guardian shall be paid upon application to the court and based upon the criteria above.

Rule 71.1 Attorney Fees

- (E)** Notice of the filing of any requests for payment of attorney fees shall be provided to the fiduciary and/or client unless the fee is approved by said fiduciary or client.
- (F)** No attorney fee shall be paid without Court approval. Absent order of the Court upon motion, no attorney fee shall be paid prior to the filing of the final account.
- (G)** Attorney fees up to \$500 for representing a guardian of the estate who has been appointed, filed an inventory and whose inventory has been approved by judgment entry may be allowed without an itemized statement of services performed.
- (H)** Attorney fee requests filed in guardianships shall consist of Attorney Fee Agreement, signed by both the attorney and guardian, and an itemized invoice showing each task, the time spent on the task and who performed the task.
- (I)** Attorney fees up to \$500 for preparing and filing a guardian's annual account and whose account has been approved by judgment entry may be allowed without an itemized statement of services performed, provided the account is found suitable for approval.
- (J)** The Court may reduce or deny attorney fees where there is a delinquency in filing an account.

Rule 72.1 Executor's & Administrator's Commissions

- (A) The fiduciary and attorney must both sign any request for fiduciary fees. Where the fiduciary has not performed the duties of his/her office but has relinquished those duties to others to perform, as when the attorney performs strictly lay services to the estate, the commission may be reduced or denied.
- (B) No commissions are to be paid prior to the filing of the final account.
- (C) A commissioner appointed upon his/her application for relief of an estate from administration usually serves without expecting compensation. If compensation is expected, the court will grant a fee for the commissioner based on the amount of time the commissioner has or will expend for the benefit of creditors and beneficiaries, the size and complexity of the assets being relieved from administration and the appropriate performance of the court's orders. Any fee requested will be evaluated on a case-by-case basis and will not be computed using the guideline for fiduciary commissions in R.C. 2113.35. No commission will be paid without court approval.

Rule 73.1 Guardian's Compensation

- (A) Requests for guardian's fees shall be signed by the guardian.
- (B) The Court may reduce or deny guardian fees where there is a delinquency in filing an account.
- (C) No guardian's fees are to be paid without Court approval.

Rule 74.1**Trustee's Compensation**

- (A) In the absence of approval by the beneficiary(ies), all requests for fees shall be sent by the Court to the beneficiary(ies) for review. Time will be given for any objections to be filed.

This Rule applies to all persons who represent themselves in any probate matter in our Court without an attorney.

A. Right to Self-Represent Unless the use of an attorney is expressly required in another rule, all persons desiring to represent themselves in any probate proceeding are permitted to do so.

B. Application of Rules In order to ensure the fair and impartial administration of justice, the Court will hold self-represented persons to the same standards as apply to attorneys and persons represented by attorneys in probate proceedings. All applicable statutes, rules, regulations and policies apply equally to self-represented persons and to persons represented by attorneys.

C. Acknowledgement All self-represented persons must sign and file a self-representation acknowledgement (FC Form 75.1) verifying that they understand their rights and responsibilities when engaging in a probate proceeding without legal representation. In particular, but without limitation, the acknowledgement will confirm the self-represented person's understanding that the Court and its deputy clerks are not permitted to provide any legal advice to any person under any circumstances. Self-represented persons must file the acknowledgement form with the initial filings.

D. Later Representation Self-represented persons may retain an attorney to represent them at any point during a probate proceeding. Upon receiving a notice of appearance from the attorney, the Court will grant accommodations that are reasonably necessary to enable the attorney to become familiar with the case, to the extent that the accommodations do not prejudice the rights of any other person or entity with an interest in the proceeding.

**Rule 78 CASE MANAGEMENT IN DECEDENT'S ESTATES,
GUARDIANSHIPS AND TRUSTS**

Rule 78.1 Applications for Appointment

A waiver to administer on Form 4.3 signed by persons who have a priority status under R.C. 2113.06 to administer an estate does not indicate agreement that the applicant is a suitable person to administer. The waiver of right to administer an estate is separate from the process of determining the suitability of the applicant to serve as administrator. Unless all those interested in the estate have consented to the appointment of the applicant as administrator, the application for appointment will be set for hearing within twenty-one (21) days of filing, either for oral or non-oral hearing as the Court determines.

Rule 78.2 Inventory of Safe Deposit

If keys are available, the Court will appoint the attorney for a decedent's estate, the Auditor of Scioto County or his Deputy, or an attorney not serving as attorney for the estate as a commissioner to list the contents of the box and retrieve the decedent's will and codicils from the decedent's safe deposit box for delivery to the court or as directed by the Court. The Court may appoint the estate fiduciary who is without counsel to make such examination and retrieval but may require notice to other next of kin or beneficiaries prior to the appointment.

Rule 78.3 Inventories

- (A) The inventory in a decedent's estate shall be filed within 90 days of the issuance of the Letters of Authority. Notice of inventory shall be served on all next of kin in a testate estate and all those entitled to inherit in an intestate estate. All assets shall have a verification of value attached.
- (B) The hearing on the inventory will be non-oral unless the court orders an oral hearing. The hearing on the inventory, whether oral or non-oral, will be set not less than fourteen (14) days after the inventory is filed, nor more than thirty (30) days after such filing, per R.C. 2115.16.
- (C) The inventory in a guardianship shall be filed within 90 days of the issuance of the letters of authority.
- (D) Any inventory filed by a guardian pursuant to R.C. 2111.14 shall include evidence that the inventory is a true and accurate inventory of the estate of the ward. This evidence may include, but is not limited to, income tax returns, current bank statements, the county auditor's property records, and Social Security records of the ward or any other documents that are relevant to determining the accuracy of the inventory.
- (E) The street address, auditor's parcel number and legal description of all of the ward's real property located in Ohio shall be set forth on the Guardian's Inventory.
- (F) Each item of personal property set forth on the Guardian's Inventory shall be identified as being tangible personal property or intangible personal property.

- (G)** Unless ordered by the Court, in guardianships wherein the fiduciary determines, in good faith, that the total fair market value of all the decedent's household goods and furnishings is less than \$2,000, the ward's household goods and furnishings may be considered assets, the value of which is readily ascertainable, and which need not be appraised. In the event an interested party objects to any such determination and files an exception to the inventory pursuant to R.C. 2115.16, the fiduciary shall obtain a formal appraisal of the ward's household goods and furnishings prior to the hearing on such exception.
- (H)** In the event the fiduciary determines that an asset was incorrectly included in the original inventory, or the original inventory included an incorrect valuation which results in a decrease in value, the inventory must be amended, and service of the hearing on the amended inventory effectuated unless said notice is waived in writing.
- (I)** In the event the fiduciary determines that the original inventory included an incorrect valuation which results in an increase in valuation, the fiduciary shall amend the inventory, but a new hearing on the amended inventory shall not be required. The fiduciary or counsel shall notify the surviving spouse and beneficiaries of the change in the inventory.
- (J)** When newly discovered assets come into the hands of the fiduciary after the filing of the original inventory, an amended inventory is not required. The fiduciary shall report the newly discovered assets to the Court pursuant to R.C. 2113.69.

Rule 78.4 Decedent's Estates – Status Reports

- (A) Inventories and accounts (both partial and final) must be served upon all next of kin, except legatees who have already received and given a receipt for their specific bequests under the will. The service shall be by the fiduciary or his/her counsel. Regular mail service or hand delivery is sufficient.
- (B) The Court may order a status report at any time. The status report will explain the status of the administration and list the steps remaining to complete the estate, along with an estimated time frame for completion. A copy of the status report shall be served upon all persons or creditors who have an interest in the completion of the estate.
- (C) In addition to the foregoing and in conformity with Sup. R. 78 (C), the fiduciary and the attorney shall prepare, sign and file a written status report in all decedent's estates that remain open for more than 13 months from the date of appointment, and every 6 months thereafter. A status review hearing may be set. The fiduciary and attorney may be ordered to attend and bring records relevant to the estate administration, including time records for attorney fees.
- (D) The filing of a status report has no bearing on the requirement to complete and file inventories, partial accounts and final accounts as previously directed in these Rules.

Rule 78.5 Civil Actions

- (A) A pre-trial conference shall be conducted in all civil cases, except in land sale proceedings. Within thirty days after the answer day, the case shall be set by the Court for a pre-trial conference.
- (B) At the pre-trial conference, all counsel must attend and have authority to enter into a binding pre-trial order. The following decisions will be made based on the conference:
1. a discovery schedule;
 2. a date for exchange of expert witness reports;
 3. deadlines for summary judgment motions and responses;
 4. whether there will be a final pre-trial; and
 5. the date for the trial.
- (C) Pre-trial motions must be filed at least thirty days prior to trial. The motion is to be accompanied by a request for oral hearing, if oral hearing is requested, and the matters expected to be presented upon the motion must be specified.

Rule 78.6 Court Records Management & Retention

- (A) **Retention of Exhibits Submitted During Evidentiary Hearings.** While a case is pending, documentary and photographic exhibits are customarily retained in the case file in a manila envelope, marked by date of hearing. Inspection of exhibits in an exhibit envelope can be made at a reasonable time when Court personnel can monitor the inspection to assure that there is no tampering with introduced, admitted or proffered exhibits. Larger items or voluminous documents may be retained in a sealed envelope or box, and marked by case number, case name, and date of hearing and kept, pending final disposition in an area designated by the chief deputy clerk.
- (B) After final resolution of the contested issue for which exhibits have been offered, including any appeal of such issue, the exhibits will be retained by the Court for a period of 90 days. Court personnel may begin the destruction of no longer-needed exhibits after this 90-day period. The party who has introduced an exhibit in evidence, or proffered introduction of an exhibit, may seek return of the exhibit by motion or other written request. The Court may delay return of the item pending determination that its further retention serves no purpose in cases of a continuing nature, like guardianships or cases involving trusts. Any other party involved in the case may be consulted informally to determine if there is objection.
- (C) Parties are encouraged to substitute copies, when permitted by the Rules of Evidence, for photographs and records having sentimental value. Parties are encouraged to promptly seek return of exhibits they want returned after final disposition of the case, such as objects, articles of clothing, books, jewelry and other heirlooms or articles of sentimental attachment.
- (D) This local rule has no applicability to vouchers, proofs, or other evidence offered in support of expenditures or distributions within an account, wills offered for probate, birth records, records of adoption, marriage license application or estate tax return filings for which there are sufficient instruction for preservation or destruction with Sup. R. 26(D). This local rule pertains to exhibits offered into evidence in evidentiary proceedings before the probate court, which would relate also to *exceptions* to an inventory or account as well as in guardianship, adoption, name change, and estate administration proceedings.

Rule 78.7 Transcripts upon Magistrate's Decisions

A transcript of proceedings is not required when objection is made to a magistrate's decision if there is no objection to the magistrate's fact-finding, but there is objection as to how magistrate construed the applicable law and issued an inequitable or unjust result or one which is counter to law.

Rule 78.8 Compliance with the Americans with Disability Act
